Report number 6200338/1

TEST REPORT

Date received	13 December 2022	**Customer**	Fruiting Body Co., Ltd.
Date tested	14 December 2022	**Address**	5/6 Moo 4, Cherng Thale
Date issued	14 JAN 2023		Phuket 83110

Sample number	35611119503
Sample type	Dietary supplement products
Sample name	Cordyceps Mushroom Powder
Manufacturer	[redacted]
Sample description	Brown fine powder
Package	Sealed Plastic bags
Label	Cordyceps Mushroom Powder, 100 gram

Test item	Result	Specification	Test method
Lead, mg/kg	0.11	not more than 1	Modified AOAC 2016, 999.10
Arsenic*, mg/kg	0.15	not more than 2	Modified AOAC 2016, 986.15
Escherichia coli, MPN / 1 g	less than 3	less than 3	BAM 2017, chapter 4
Clostridium spp. / 0.1 g	not detected	not detected	USP 40, NF 34 2017
Staphylococcus aureus / 0.1 g	not detected	not detected	BAM 2016, chapter 12
Salmonella spp. / 25 g	not detected	not detected	ISO 6579-1 : 2017

Note - The specifications from The Ministry of Public Health Notification No.293 (B.E.2548).
- "*" means test method has not been accredited complying with the ISO/IEC 17025:2005.

Tested by Pinnaree Chinwattanawong
(Ms.Pinnaree Chinwattanawong)
Medical scientist, Professional Level

Approved by
(Ms.Nongkran Ruengprapun)
Medical scientist, Senior Professional Level
